

# Installation Instructions For Curb Mount Skylights

**Artistic**  
SKYLIGHT DOMES LTD

Prepare curb with proper flashing and waterproofing membranes.

Ensure top of curb is clean and dry.

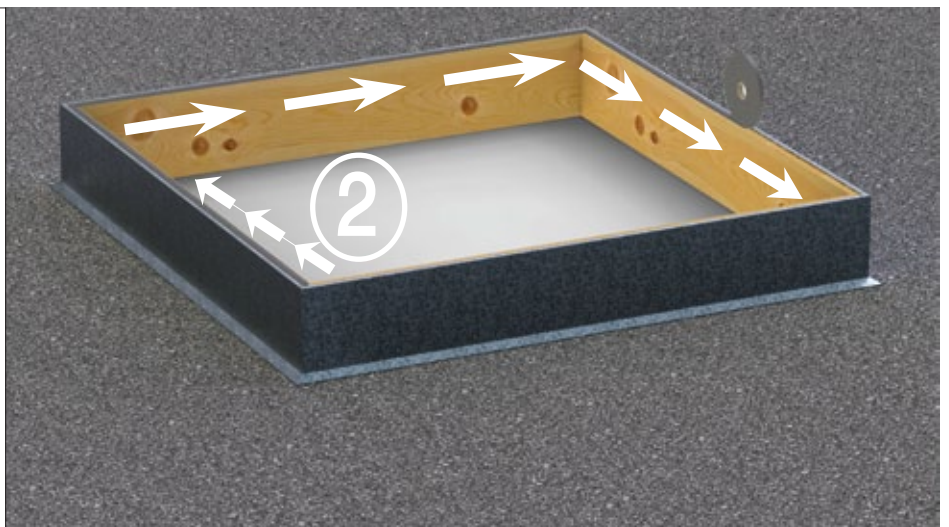

1

Dry fit skylight to curb to ensure proper fit.

Apply seal gasket or silicone seal to top of curb approx. 1/2" in from outer edge.

2

Mount skylight over curb and press down into seal. Secure skylight to curb with #10x2" wood screws through holes in flange of skylight.
